

Application scheme to Danish Preferred: **Approval**

Deadline: January 15th or June 1st

Conditions for application for full approval list in Danish preferred:

- Industry malting conducted by Fuglsang, Viking Malt and an abroad partner
- Brewing results from three breweries
- There has been - or are planned - 750 ha. of multiplication *

Information concerning the process:

- The secretariat will assess if the results presented by the applicant is sufficient, or if further industry test is needed, if so the applicant will be notified.

Information at application:

Please send a mail to danishpreferred@dakofo.dk and cc. to edh@dakofo.dk with information about multiplication acreage (this year or planned for coming season)

* Less acreage will be required for specialty barleys - like null-lox, DMS, organic varieties, winter barley and others.
